| Req 2: Login/Logout | | | |
| Student Logout | Logout Successful Redirected to login page | Logout Successful Redirected to login page | Test Successful |
| Supervisor Logout | Logout Successful Redirected to login page | Logout Successful Redirected to login page | Test Successful |

| | | | |
|--|---|---|-----------------|
| Module Coordinator Logout | Logout Successful Redirected to login page | Logout Successful Redirected to login page | Test Successful |
| Correct Student Login: Valid_UobNumber = "19023418" Valid_Password = "Password123" | Go to project selection page | Got to project selection page | Test Successful |
| Incorrect Student Login: Wrong_UobNumber = "123" Valid_Password = "Password123" | Login failed | Login failed | Test Successful |
| Incorrect Student Login: Valid_UobNumber = "19023418" Wrong_Password = "123" | Login failed | Login failed | Test Successful |
| Incorrect Student Login: Wrong_UobNumber = "123" Wrong_Password = "1234" | Login failed | Login failed | Test Successful |
| Correct Supervisor Login: Valid_Username = "Zaka" Valid_Password = "Password123" | Go to supervisor page | Go to supervisor page | Test Successful |
| Incorrect Supervisor Login: Wrong_Username = "123" Valid_Password = "Password123" | Login failed | Login failed | Test Successful |
| Incorrect Supervisor Login: | Login failed | Login failed | Test Successful |

| | | | |
|---|---|---|-----------------|
| Valid_Username = "Zaka" Wrong_Password = "123" | | | |
| Incorrect Supervisor Login: Wrong_Username = "12" Wrong_Password = "1232" | Login failed | Login failed | Test Successful |
| Correct Module Coordinator Login: Valid_ModuleID = "240220" Valid_Password = "Password123" | Go to module coordinator page | Got to module coordinator pages | Test Successful |
| Incorrect Module Coordinator Login: Wrong_ModuleID = "1233" Valid_Password = "Password123" | Login failed | Login failed | Test Successful |
| Incorrect Module Coordinator Login: Valid_ModuleID = "240220" Wrong_Password = "123" | Login failed | Login failed | Test Successful |
| Incorrect Module CoordinatorLogin: Wrong_ModuleID = "1" Wrong_Password = "12" | Login failed | Login failed | Test Successful |
| Req 3: View Projects | | | |
| Students View Projects | Students can see their own project selected and all projects from their year of study | Students can see their own project selected and all projects from their year of study | Test Successful |

| | | | |
|--|--|--|-----------------|
| Supervisor View Projects | Supervisors can view their own projects and see all projects | Supervisors can view their own projects and see all projects | Test Successful |
| Module Coordinator View Projects | Module coordinator can view all projects as well as his own projects | Module coordinator can view all projects as well as his own projects | Test Successful |
| Req 4: Propose Projects | | | |
| Correct Propose projects form: Valid_ProjectTitle = "test" Valid_Description = "test" Valid_ProgrammeOf work = "test" Valid_Deliverables Valid_Supervisor | Project has been added successfully click view my projects to see | Project has been added successfully click view my projects to see | Test successful |
| Incorrect Propose projects form: Wrong_ProjectTitle = "" Valid_Description = "test" Valid_ProgrammeOf work = "test" Valid_Deliverables Valid_Supervisor | Fields can't be empty | Fields can't be empty | Test successful |
| Incorrect Propose projects form: Valid_ProjectTitle = "test" Wrong_Description = "" Valid_ProgrammeOf work = "test" Valid_Deliverables Valid_Supervisor | Fields can't be empty | Fields can't be empty | Test successful |
| Incorrect Propose projects form: Valid_ProjectTitle = | Fields can't be empty | Fields can't be empty | Test successful |

| | | | |
|---|-----------------------|-----------------------|-----------------|
| “test” Valid_Description = “test” Wrong_ProgrammeOf fwork = “” Valid_Deliverables Valid_Supervisor | | | |
| Incorrect Propose projects form: Wrong_ProjectTitle = “” Wrong_Description = “” Valid_ProgrammeOf work = “test” Valid_Deliverables Valid_Supervisor | Fields can’t be empty | Fields can’t be empty | Test successful |
| Incorrect Propose projects form: Wrong_ProjectTitle = “” Valid_Description = “test” Wrong_ProgrammeOf fwork = “” Valid_Deliverables Valid_Supervisor | Fields can’t be empty | Fields can’t be empty | Test successful |
| Incorrect Propose projects form: Valid_ProjectTitle = “test” Wrong_Description = “” Wrong_ProgrammeOf fwork = “” Valid_Deliverables Valid_Supervisor | Fields can’t be empty | Fields can’t be empty | Test successful |
| Incorrect Propose projects form: Wrong_ProjectTitle = “” Wrong_Description “” Wrong_ProgrammeOf | Fields can’t be empty | Fields can’t be empty | Test successful |

| | | | |
|--|---|---|-----------------|
| fwork = "" Valid_Deliverables Valid_Supervisor | | | |
| Self Propose Project with project already having been selected | You have already selected a project | You have already selected a project | Test successful |
| Req 5: Choose Project | | | |
| Choose project | Project details should appear in view my projects | Project details should appear in view my projects | Test successful |
| Choose another project | Project details should not appear in view my projects | Project details should not appear in view my projects | Test successful |
| Deselect chosen project | Project details should not appear in view my projects and instead re appear in the projects table | Project details should not appear in view my projects and instead re appear in the projects table | Test successful |
| Choose a different project | Project details should appear in view my projects | Project details should appear in view my projects | Test successful |
| Deselect chosen project again | Should not let them deselect project | Should not let them deselect project | Test successful |
| Choose project | Project details should appear in view my projects | Project details should appear in view my projects | Test successful |
| Wait 8 days to deselect project | Should not let them deselect project | Should not let them deselect project | Test successful |
| Req 6: Automatic student allocation | | | |
| Click automatic student allocation | Check view allocated projects to see if all supervisors have a roughly equal number of students | Check view allocated projects to see if all supervisors have a roughly equal number of students | Test successful |
| Req 7: Handling | | | |

| | | | |
|--|---------------------------|---------------------------|-----------------|
| Projects | | | |
| Req 7.1: add project | | | |
| Correct add: Valid_ProjectTitle = "test" Valid_Originator = "Haider Raoof" Valid_Description = "test" Valid_YearOfStudy = "3rd" Valid_ProgrammeOf Work = "test" Valid_Deliverables = "test" Valid_LearningOutco mes = "test" Valid_Prerequisites = "test" Valid_Requirements = "test" Valid_ExternalOrigina tor = "" | Project added | Project added | Test successful |
